Conditions for the use of the publication 4.1 «Building components in wood – floors, walls and coverings with fire resistance» (Lignum, SIA, ETH, Empa, 2015, updated 2017)

This publication is only available digitally in PDF format. You will receive a link for your personal download after payment of our invoice. For copyright reasons, the publication is equipped with a personalised watermark. By ordering the product you accept the following terms of use:

- With the purchase of this product, the purchaser receives the simple, non-exclusive, non-transferable and non-sublicensable right to use the publication exclusively for his/her own private and personal business use.
- If the purchaser is a company, it receives with the purchase the simple, non-exclusive, non-transferable and non-sublicensable right to make the publication available to any number of its own employees within the company.
- The commercial as well as non-commercial transfer of the publication to third parties of any kind (individuals, companies, organisations, etc.) for use is prohibited.

The copyright of the publication remains with Lignum, Swiss Timber Industry, Zurich. It is not permitted to reproduce the work or parts thereof, to reproduce content on the Internet or to feed content into databases. It is also expressly prohibited to change the content of the publication in any way.

If the documentation is modified, made available to third parties, made publicly accessible or used for commercial purposes, Lignum reserves the right to take legal action to protect its intellectual property. The general terms and conditions of Lignum ([AGB](#)) apply.
